### **ENTRY LEVEL MECHANIC**

CUMMINGS AUTO & PERFORMANCE

June 2016 to November 2016

Changed tires, changed brakes, change oil, cleaned the shop, odds and ends around the shop and mowed and took care of the outside yard work. Followed checklists to verify that all important parts were examined. Serviced a little bit of air conditioning, heating, engine-cooling and electrical systems. Communicated with customers regarding vehicle issues and potential repairs. Repaired and replaced belts, hoses and steering systems. Removed and replaced tires, shocks, struts and brakes. Repaired and replaced radiators and water pumps. Transported customers to and from the shop for the customer service program.

## Education

---

### **High school diploma**

AGORA CYBER CHARTER SCHOOL - King of Prussia, PA

2017

## Skills

---

- Manual

- CNC
- Calipers
- Micrometer
- Tire Service
- Mechanic Experience
- Welding (1 year)
- Blueprint Reading
- Programmable Logic Controllers
- CNC Lathe
- Oil Change
- Electrical Experience
- Facilities Maintenance
- Mechanical knowledge
- Mechanic experience
- Painting (1 year)
- Plumbing (1 year)
- Carpentry (1 year)
- Machining
- Manufacturing
- Fabrication
- Brake Repair
- Handyman
- Troubleshooting
- Automotive Repair
- Industrial maintenance (1 year)

## Additional Information

---

- Critical thinker
- Planning/coordinating
- Experience in tire technician
- Proficiency in lube technician
- Excellent research skills
- Detail oriented
- Mechanically inclined
- Works well with others
- Good listener
- Don't like to leave a job half done
