SUMMARY

Patient and safe transportation professional with 1.5 years of experience, and a clean driving record. I have worked doing remodeling, painting exterior of houses, drywall, and also roofing. During my three years of in high school I was going to VoTech for Machine Tool and Tech. While I was there I acquired a forklift certification. I have many skills and I am a fast learner.

SKILLS

- Lifting up to 100 lbs
- Great attitude
- Forklift Certification
- Exterior House Painter
- Basically Mechanically Inclined
- Fast Learner

EXPERIENCE

School Bus Driver

Lepley's Bus Service | Franklin, PA | September 2017 - October 2018

During the school year I would drive a mini bus for kids that had behavioral problems and learning disabilities. In the summer I would work in the garage getting all of the buses ready for the new school year.

- Operated specialized equipment including motorized ramps and lifts.
- Reconfigured routes when stops were added or removed from the schedule.
- Maintained records such as vehicle logs, records of cargo, or billing statements in accordance with regulations
- Obeyed traffic laws, and follow established traffic and transportation procedures

Cashier

Lepley's Bus Service | Cranberry, PA | March 2016 - December 2016

- Displayed and restocked merchandise in an appealing manner.
- Assessed customer needs and responded appropriately to questions.
- Issued receipts for purchases and gifts.
- Maintained clean, tidy and organized checkout areas.
- Minimized long register lines by providing timely sales transaction completion.

EDUCATION AND TRAINING

Rocky Grove High School | Franklin, PA | 2016

I did not graduate but am working on GED
