## Summary of Skills

Experienced in following ordered tasks to exact specification with speed and efficiency. Great at multitasking and overseeing multiple projects at once. Strong teamwork abilities with a drive to learn on hand and assist to the best of personal capabilities. Years of experience with different large machine systems and following their safety protocols.

## Experience

May 2024 - January 2026

### **Bean About Town; Honolulu, Hawaii** – *Barista/Bartender/Closing Manager*

- Operated large-vat coffee bean roasting machines as well as storefront location brewing
- Trained fellow employees on company standards and location operations
- Maintained sanitation and safety, insuring cleanliness and organization

October 2023 - May 2024

### **Coinco INC. Cochranton, Pennsylvania** – *Production Floor Operator*

- Operated machine tools to punch, shape, pierce, and polish metal parts to exact specifications
- Maintained safety and concentration during long periods of repetitive tasks
- Followed written instructions and filled out proper documentation required for tasks

April 2021 - August 2021

### **Cedar Fair; Sandusky, Ohio** – *Ride Operation/Team Lead*

- Supervised and insured safety and operations of large scale amusement park rides such as testing rollercoaster break blocks or swing tolerance on high elevation rides.
- Completed required daily paperwork and documentation in a timely and efficient manner

## Education

September 2015 - May 2020

### **Franklin Area Jr. Sr. Highschool, Franklin Pennsylvania** – *High School Diploma*

Participated in the swim team as well as track and field. Enrolled in the Gifted class and competed in academic games. In addition, I played in the marching band.
