Objective

Results-driven and experienced professional seeking a challenging role as a Machine Operator or Warehouse Manager, leveraging over 13 years of expertise in machine operation, production management, and inventory control to contribute to the success of your company.

Professional Summary

- Accomplished Machine Operator with a proven track record of 13+ years in the furniture industry, adept at operating CNC machinery and woodworking equipment to produce high-quality components.
- Skilled in all aspects of production, from setup and operation to quality control and packaging, ensuring adherence to strict standards and deadlines.
- Proficient in inventory management, traffic coordination, and heavy equipment operation, with a strong commitment to safety, efficiency, and teamwork.

Professional Experience

Machine Operator/Production Supervisor

Acutec Precision Aerospace, Meadville, PA

2019-2021

- Led a team of operators in the production of precision components for aerospace applications, ensuring compliance with industry standards and customer specifications.
- Operated CNC machinery and woodworking equipment to fabricate complex parts, maintaining optimal efficiency and product quality.
- Managed inventory levels, scheduled production tasks, and coordinated shipping and receiving activities to meet tight deadlines.

Mechanical Technician

Ardagh Group, Conklin, NY

2015-2017

- Conducted setup, maintenance, and troubleshooting of mechanical systems and equipment in a manufacturing environment, ensuring smooth operations and minimal downtime.
- Collaborated with cross-functional teams to implement process improvements and optimize production efficiency.

Auto Glass Installer

Safelite, Vestal, NY

2009-2015

- Installed and repaired auto glass for a diverse range of vehicles, delivering exceptional customer service and maintaining a high standard of workmanship.
- Managed inventory and equipment, coordinated service appointments, and processed paperwork accurately and efficiently.
