

Robert Myers

Dear, hiring manager

Franklin, PA 16323

buddymyers1488@gmail.com

8143162261

I'm applying for a position at your company. Based on the posted description, I'm confident that I am fully qualified for the position and if not I will learn fast! I will be a strong addition to your team. I would appreciate a few minutes of your time at a job interview if possible. I can be reached at the email address or the phone number attached to my resume. Thank you for your time!

Sincerely,

Robert Myers

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Setting modular homes

Steinmen building systems manufactured home specialist - Tionesta, PA

October 2019 to March 2020

We set modular homes for home owners, finish roofing, siding interior and exterior work

Yard Worker

FRANKLIN INDUSTRIES - Franklin, PA

August 2018 to October 2019

I work in the yard doing anything from running the truck scales, to over head crane, bob cats, fork lifts, and chaser for the locomotives. I also work on the rail breaker from time to time running torches, cranes, "etc"

Ship loose

Pen kraft - Knox, PA

April 2018 to August 2018

I made sure everything was in the mobile home to finish the installation process when arriving to the job site. After that I would button up the mobile home and pull in out side with a front end loader and then schedule shipping and receiving dates.

Shipping and Receiving

Clarion fiberboard plant - Clarion, PA

December 2017 to April 2018

We loaded and unloaded laminate flooring. We would shuttle anywhere from 35-50 trucks in a ten hour period from our shop where the production was made to a smaller company where they shipped in to different stores and companies.

Shipping and Receiving

TARKETT FLOORING - Clarion, PA

March 2017 to December 2017

we would unload shuttles, then place them into our system using electronic scanners. Then we would put the laminate flooring into its predestination. We would then receive orders for what material, and for what store, and we would go pick it scan it out and prestage it until the trucks would come so we could load it and ship it.

Logger

Beichner logging - Shippensburg, PA

January 2009 to March 2017

We would cut and skid logs for saw mills. I have used a lot of different equipment while working here

Residential tree service

Kiker tree service - Indian Trail, NC

April 2010 to November 2012

Ran bobcat, "stub cutter" ran bucket trucks, ropes, chippers, stump grinders, "etc"

Hose builder/ shipping

Salem republic rubber - Sebring, OH

January 2008 to January 2009

We built hoses for the ocean floor and the hoses for air planes and jets to refuel in mid air

Wall Builder

Pennwest Homes - Emlenton, PA

August 2007 to January 2008

Built walls for modular homes

Education

High school or equivalent in General

Ac-valley - Foxburg, PA

August 2002 to July 2007
