Work Experience

Packer/Forklift Driver

Forta Corporation - Franklin, PA

August 2021 to Present

My position as a Packer/forklift driver includes, counting and packing the correct amount of asphalt fiber. Weighing it stacking it onto a skid, then manually shrink rapping it and labeling it. Followed by stacking the skids using the forklift in the proper manner for shipment. At the end of the day we calculate how much product was ran. To how much product was unused at the time of production.
